POLICY SCORE · HIGHER IS MORE FAVORABLE

0–52 / 100

Provisional range · no single grade yet

This range includes uncertainty about unresolved clauses.

▶ How to read this score

YOUR FIRST LOOK

9 clauses need attention.

Start with the findings below, check their exact wording, then review what is still unknown.

Evidence coverage 70%

14 of 20 substantive clauses rated. 6 still unresolved.

Some findings fall outside the selected policy type. Check the policy type before interpreting a grade.

Needs attention

9 clauses

Invasive · 5/5

Content licensing / AI training

This statement grants a content license without an expiry date.

Inspect evidence · clause 12

Invasive · 4/5

Content licensing / AI training

This statement permits using your content for AI model training.

Inspect evidence · clause 13

Invasive · 4/5

Unilateral changes

The terms may change without notifying you.

Clause 3

> We do not sell your personal data.

Favorable · 0/5 Rule match

This statement explicitly rules out selling your personal data. It does not establish the policy's other sharing practices.

Highlight exact evidence for clause 3

Clause 4

> We share your personal data with advertisers.

Concerning · 3/5 Rule match

This statement permits sharing your personal data with advertisers.

Highlight exact evidence for clause 4

Clause 5 Unresolved

> Our advertising partners receive the interests selected in your account profile and a list of the product pages you visit; you can disable future partner transfers through the advertising preferences page, but transfers completed before that change remain with the receiving partner and cannot be recalled through that preference control.

Unrated. No supported interpretation is available.

Clause 7

> We delete your personal data within 30 days after account closure.

Favorable · 0/5 Rule match

This statement sets a 30-day deletion period after account closure.

Highlight exact evidence for clause 7

Clause 9

> We use advertising cookies only with your consent.

Favorable · 0/5 Rule match

This statement makes your consent a condition for advertising cookies.

Highlight exact evidence for clause 9

Clause 10 Unresolved

> The essential shopping-basket cookie lasts until you close your browser and carries the randomly generated basket identifier used to reconnect your selected items; this cookie contains neither your payment-card number nor the contents of your support messages, and the basket remains usable when advertising cookies are disabled in your browser.

Unrated. No supported interpretation is available.

Clause 12

> You grant us a perpetual license to your content.

Invasive · 5/5 Rule match

This statement grants a content license without an expiry date.

Highlight exact evidence for clause 12

Clause 13

> We use your content to train artificial intelligence models.

Invasive · 4/5 Rule match

This statement permits using your content for AI model training.
